Dear Sir/Ma'am,

Our warmest greetings of peace and good health!

The institute cordially invites you to attend our **67<sup>th</sup> Annual General Membership Meeting & Convention** with the theme:

**"ENHANCING CAPABILITY OF GLOBALLY COMPETITIVE ELECTRONICS ENGINEERS"**

The venue of this convention will be at **Subic Bay Exhibition and Convention Center, Efficiency Street, Subic Bay Gateway Park, Subic Bay Freeport Zone on November 23-25, 2017.**

IECEP, being accredited professional organization by the Professional Regulations Commission and mandated to provide continuing professional development to its members to be more competitive, presents an avenue of gathering of the Philippines' practicing electronics engineering professionals, such as – *consultants, executives, managers, supervisors, cadet engineers and technicians in the field of electronics, telecommunications, computers and information technology, broadcasting and cable TV, manufacturing, semiconductors, construction, power generation, biomedical technology and the government, the military and the academe.*

This three (3) day learning opportunity will be highlighted by series of presentations from industry experts who will impart their specialized knowledge & skills in the latest trends in technology, engineering management, engineering best practices, research, scientific studies, professional practice regulations and the election of our new set of board of directors who will be serving the institute in the next 2 years. There will also be series of product presentations from our industry partners who will also showcase their technological solutions in various fields where our engineers and technicians will play vital roles in innovation and development.
